

CS534 Honor Pledge
Fall 2021

Include a filled and signed copy of this honor code with all graded assignments. Assignments submitted without a filled and signed form will not be accepted.

1. I did not use electronic resources or printed materials to lookup answers ✓
2. I did not receive assistance from classmates or others on this assignment ✓
3. I did not give assistance to classmates on this assignment ✓
4. All source code was developed independently on my own and not copied from open-source libraries or other electronic resources ✓
5. I have observed any time limits or special instructions that were prescribed (if applicable) ✓

My submission reflects my understanding of the assignment and subject material and is my original work. I understand that I am responsible for following course rules as well as Emory's Laney Graduate School Honor Code. Violations could result in penalties ranging from a loss of credit for the assignment to loss of financial aid or dismissal from the graduate program.
